

JESÚS ALEJANDRO JUSTO GARCÍA

COMPUTER ENGINEER

341-150-0725

alejustogar3@gmail.com

I am a recent university graduate currently awaiting my degree. My continuous quest for learning is evident through my participation in online courses focused on cloud computing and design. Furthermore, my experience as a professional dancer has strengthened my discipline, communication skills, and ability to work effectively in teams.

EDUCATION

2019 - 2023

Bachelor of Computer Engineering

Titulado - Instituto Tecnológico de Ciudad Guzmán

2023

Google Cloud Computing Foundations

Certificate - Google Cloud Computing Foundations ACADEMY

2023

Basics of User Experience Design

Certificate - Google Career Certificates

EXPERIENCE

2023 - 2023 AMOCALI, A. C.

Web Developer & UX Designer

I collaborated in the development and implementation of a web platform for efficient management of empty agrochemical containers. The solution addressed the low or non-existent recovery of these containers by providing forms, geolocation tools, and alerts to improve collection on a national level, solving issues related to real-time information and statistics for better decision-making.

SKILLS

Photography

Web Design

SQL

Figma

PHP
