EXPERIENCE

Mar 2026 - May 2026 Alorica

Bilingual Customer Service Agent

Processed utility payments (water, gas, electricity) for US clients by coordinating directly with American vendors entirely in English. Executed secure transactions utilizing live phone support, automated telephone systems, and online payment portals. Handled sensitive financial data with strict confidentiality, safeguarding both client privacy and company interests.

Aug 2024 - Dec 2025 Autotransportes Pilot

IT Analyst

Management of Office accounts, and license management through the Microsoft 365 Admin Center. Provided technical support and user assistance to ensure seamless daily operations. Conducted comprehensive training sessions on the ticketing platform. One of my key accomplishments was successfully migrating corporate email accounts from a Neubox server to a Microsoft environment, ensuring a smooth transition with zero data loss. This process involved meticulous planning, data integrity verification, and user coordination to minimize downtime and disruption.

Jan 2023 - Dec 2023 Amocali, A. C.

Web Developer & UX Designer

I collaborated in the development and implementation of a web platform for efficient management of empty agrochemical containers. The solution addressed the low or non-existent recovery of these containers by providing forms, geolocation tools, and alerts to improve collection on a national level, solving issues related to real-time information and statistics for better decision-making.
